1) There have been complaints against the existing system of distribution of pulses in Bangalore city and arrangements have been made for regularising their distribution through ration shops and depots. An additional post of A.S.O. Food Inspector for attending to the work connected with this seems to be necessary and may be sanctioned with financial concurrence.

SIR,

***Subject*:--** Appointment of an Assistant Food Inspector in connection with the distribution of pulses in Bangalore City.

I have the honour to state that the work of distribution of pulses in Bangalore City has been recently transferred from the control of the Deputy Commissioner, Bangalore District, to the Rationing Officer Bangalore City and the services of an Assistant Food Inspector are found to be absolutely necessary for the purpose of effecting distribution and for inspecting the stocks and accounts of wholesalers and to ensure equitable distribution among consumers.

2. In the circumstances, I request that sanction of Government may be kindly obtained early to the appointment of one Assistant Food Inspector on Rs.50/- plus Rs.10/- C.A. per mensem till the end of June, 1947 to work under the Rationing Officer, Bangalore City in connection with the distribution of pulses.

3. I have permitted the Rationing Officer, Bangalore City to fill up the proposed post of Assistant Food Inspector in anticipation of sanction of the post by Government. I request approval of Government to the action taken by me in this behalf.

4. A copy of letter No.E.1.c.1295/46-47 dated 28-9-46, received from the Rationing Officer, Bangalore City, in the matter is enclosed for the information of Government.

I have the honour to be,
Sir,
Your most obedient servant,

DIRECTOR OF FOOD SUPPLIES.

3.

Copy of letter No.E.1.154-c.1295/46-47 dated the 28th Septr. 1946, from the Rationing Officer, Bangalore City, tothe Director of Food Supplies in Mysore, Bangalore.

I have the honour to state that consequent on the transfer of the work of distribution of pulses in Bangalore City from the Deputy Commissioner, Bangalore District to the Rationing Officer, Bangalore City, it has been necessary to place one Asst.Food Inspector on special duty solely for the purpose of inspecting the stocks and accounts of wholesalers, attending to enquiries etc. Since these wholesalers are residing in several divisions in the City it is not possible to entrust this work tothe normal staff of the divisions. To ensure quick and smooth conduct of work I have drawn one Assistant Food Inspector from the 7th Division and placed him on special duty for this purpose. This has resulted in the staff of the division being depleted by one hand. It is not desirable to allow the divisional staff to be short-manned as the Divisional work would be greatly handicapped thereby. As the work connected with the distribution of pulses is expected to last for a considerable time, I request that one post of an Assistant Food Inspector on Rs.50/- plus Rs.10/- p.m.may kindly be sanctioned specially for this work.

In view of the urgency and importance of the work, I request that permission may be given to appoint one Assistant Food Inspector pending formal sanction from the Government.

Favour of immediate orders is requested.
